Rabbi Mayer Friedman
Menahel

August 2015

Dear Parents:

New York State provides funds to all schools to purchase textbooks, software and library books for student use. These items are officially on "loan" to the Yeshiva.

According to regulations formulated in Albany, all schools must have on file an authorization form from each parent to obtain these items.

Please fill in the necessary information on the bottom of this page and send it in to the Yeshiva office.

Thank you.

Sincerely,

Rabbi Mayer Friedman
Menahel
