יום שישי כ"ד טבת תשפ"א

Grade Rebbi/Morah		Subject	Material Covered
Pre-1A	Morah Rubin	תפילה	We have been putting great emphasis on the Brocho of Asher Yotzar, because of the virus in our midst. Saying Asher Yotzar with understanding and intently is a Segula for staying healthy. We learned a tune to fit the words so that the boys should be motivated to say the words correctly.
Pre-1A	Morah Rubin	קריאה/א-ב	We are reviewing the pasach blends as we forge ahead with the tzeirei sound.
Pre-1A	Morah Rubin	פרשת השבוע	Parshas Shemos is a fascinating Parsha. The boys love to hear the Parsha but they absorb the lessons as well. This week we discussed how the Yidden helped each-other out with making bricks for those who could not keep up with their quota. We also talked about Miriam's bitachon that Moshe would somehow be saved by Hashem. Even in difficult situations we have to believe that Hashem will come to the rescue.
Pre-1A	Morah Rubin	הלכה	This week we learned some laws regarding washing hands (hands must be dry and clean) for bread. We showed the difference of washing for bread (2x on each hand) versus the way we wash our hands in the morning. We focused on the Brocho of Hamotzi which we say on Challah , bread, bagels and Matzo.
Pre-1A	Mrs. Weiss	Math	We are stressing the order of the numbers, and understanding which numbers are greater than or less than another number. They understand if a number comes before another number it is less than that number and if it comes after a number then it is greater than that number.
Pre-1 A	Mrs. Weiss	Reading	The new sight word is 'not'. We have learned the letters Rr and Kk, this week.
Pre-1A	Mrs. Weiss	Science	The boys are very aware of the good foods in each of the main food groups. We are now learning about how we can keep our germs away from others.

1	Mrs. Weissman	Writing	Writing a final draft requires organizing and neatness!
